The Mall of Rosebank & Jacana request the pleasure of your company at their first book club collaboration. The events will take place monthly, with a top author as a speaker, giving guests the opportunity for book signings and one on one with the authors. Some months will offer smaller round table dinner discussions and others drinks at exclusive books. Fabulous prizes will be up for grabs, to qualify there will be a R50 membership fee each month. The first event is by invitation.

We are thrilled to have award winning author Rayda Jacobs as our guest speaker with her latest offering "Joonie", we will ensure a special offer on the book for the event.

Rayda Jacobs is the author of six novels, a travel diary, and two collections of short stories, one of which was published in Canada where she lived for 27 years before returning to Cape Town, the place of her birth, and where she now resides. Her fourth novel *Confessions of a gambler*, won the Sunday Times Literary Award for Fiction as well as the Herman Charles Bosman Award in 2004. She has produced and directed four documentaries on culture, identity and religion, as well as her first feature film *Confessions of a Gambler*. She is in the process of producing and directing her second feature, *Crossroads*, a multi-plot film with the following tagline: "At a crossroad, the decision you make can have consequences."
